WHITE PEPPER

Material: Pepper

Taste: Spicy

Shape: Whole

Moisture: < 13.5%

Color: White – Natural Colour

Made in Viet Nam

White pepper, like black pepper, is made from the berries of the pepper plant, also known as the *Piper nigrum*. Unlike black pepper, however, white pepper comes from berries that are picked at full ripeness. These berries are then soaked in water to ferment. Finally, the outer layer is removed leaving only the inner seed.

COFFEE BEANS

Material: Coffee beans

Taste: Bitter and slightly acidic

Shape: Seed

Moisture: < 12.5%

Color: Dark brown

Made in Viet Nam

Coffee beans are grown all over the world, along what is known as the "coffee bean belt" in the Americas, Africa and Asia. Asia produces coffees that are bold, earthy and sweet.

Coffee can be prepared and presented in a variety of ways (e.g., espresso, French press, caffè latte, or already-brewed canned coffee). Sugar, sugar substitutes, milk, and cream are often added to mask the bitter taste or enhance the flavor.
